

# Hand Sanitizer Solution 101

## No-Rinse E3 Hand Sanitizer

Hand Sanitizer Solution #101 helps prevent the spread of hand borne disease. It is a rapidly acting disinfectant that is effective against a wide range of microorganisms including Staphylococcus, Streptococcus, Salmonella, E. Coli, etc. Hand Sanitizer Solution #101 kills harmful bacteria on clean hands but is gentle and safe enough to use as frequently as needed.

- **Gentle on Hands**
- **Contains IPA for a Rapid Kill**
- **Anti-Bacterial**
- **Quick Drying**
- **Contains Benzalkonium Chloride for Extended Protection**
- **USDA & Kosher Approved**

**Usage Directions:** Wash hands with MG-F Iodine Hand Soap making sure to scrub all areas of hands including under fingernails. Dry hands with a clean towel. Spray Hand Sanitizer Solution #101 directly on to all areas of hands. Rub hands briskly until dry. Do not rinse hands. Reapply Hand Sanitizer #101 as needed to maintain sanitized hands.

### Safety & Hazards

Wear Protective Eye Glasses While Using Hand Sanitizer Solution 101
