

# PDQ-LF

## Low-Foaming Heavy Duty Cleaner/Degreaser

PDQ-LF effectively removes grease, oil and dirt from all hard surfaces and excels in situations requiring low-to-no foaming detergents. PDQ-LF is a blend of high-powered low-foaming surfactants, water-soluble solvents and water conditioners specifically designed for the removal of heavy grease, oil and other soils at a variety of temperatures in a wide range of industrial applications including automotive and food processing.

- **Low Foaming**
- **Perfect for Floor Scrubbers, Steam Cleaners, Conveyor Cleaners & Jet Washers**
- **Cuts Heavy Grease & Oil**

**Usage Directions:** Dilute PDQ-LF in accordance with dilution guidelines and apply directly to soil with sprayer, brush, sponge, or towel. PDQ-LF works best when heated to 140°F. Allow solution to penetrate and scrub until you begin to see the soil soften and become rinseable. Rinse the surface with a sponge and water.

### Safety & Hazards

Wear Protective Eye Glasses and Chemical-Resistant Gloves While Using PDQ-LF

**Consult MSDS for Further Safety Precautions**

**DOT Shipping Name:** Not Regulated

### PDQ-LF

#### Dilution Guidelines

Usage	Dilution
Normal Usage / Light Soil	1 - 2 oz : 1 Gallon
Moderate Soils	4 - 6 oz : 1 Gallon
Heavy Soils	8 - 12 oz : 1 Gallon

### Technical Information:

Appearance: Blue Liquid  
Odor: Butyl  
pH: >12.0  
Foam: Low Foam

### Associated Products:

FCC-3 Ultra  
MSR, Low Foaming Acid Detergent & Descaler  
MG 4-Quat, 5th Generation Quaternary Sanitizer & Disinfectant

Warning: Do Not Mix With Acidic Products.
